

# Leeds City School Reopening Plan

## August 2021

# 2021-2022

**We will return to as normal as possible**

No limitations to events, although we encourage social distancing and masks

Due to our success of remaining open during the pandemic, we will utilize similar techniques this school year

Everyone will be expected to do their part to ensure safety measures are followed

Plans are subject to change based upon new information

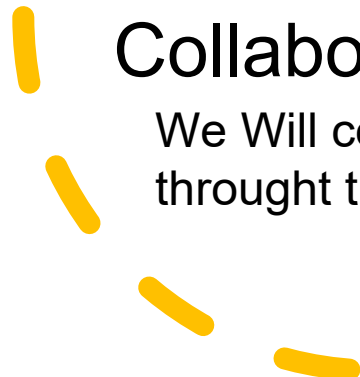

# Safety Measures for Students, Faculty, and Staff

## **Bus Routes**

- Masks will not be required, but are allowed
- Hand sanitizer will be provided upon entry on bus
- Sanitation before and after routes

## **Collaboration**

We Will continue to work with the local health department to monitor COVID-19 Data through the 2021-2022 school year.

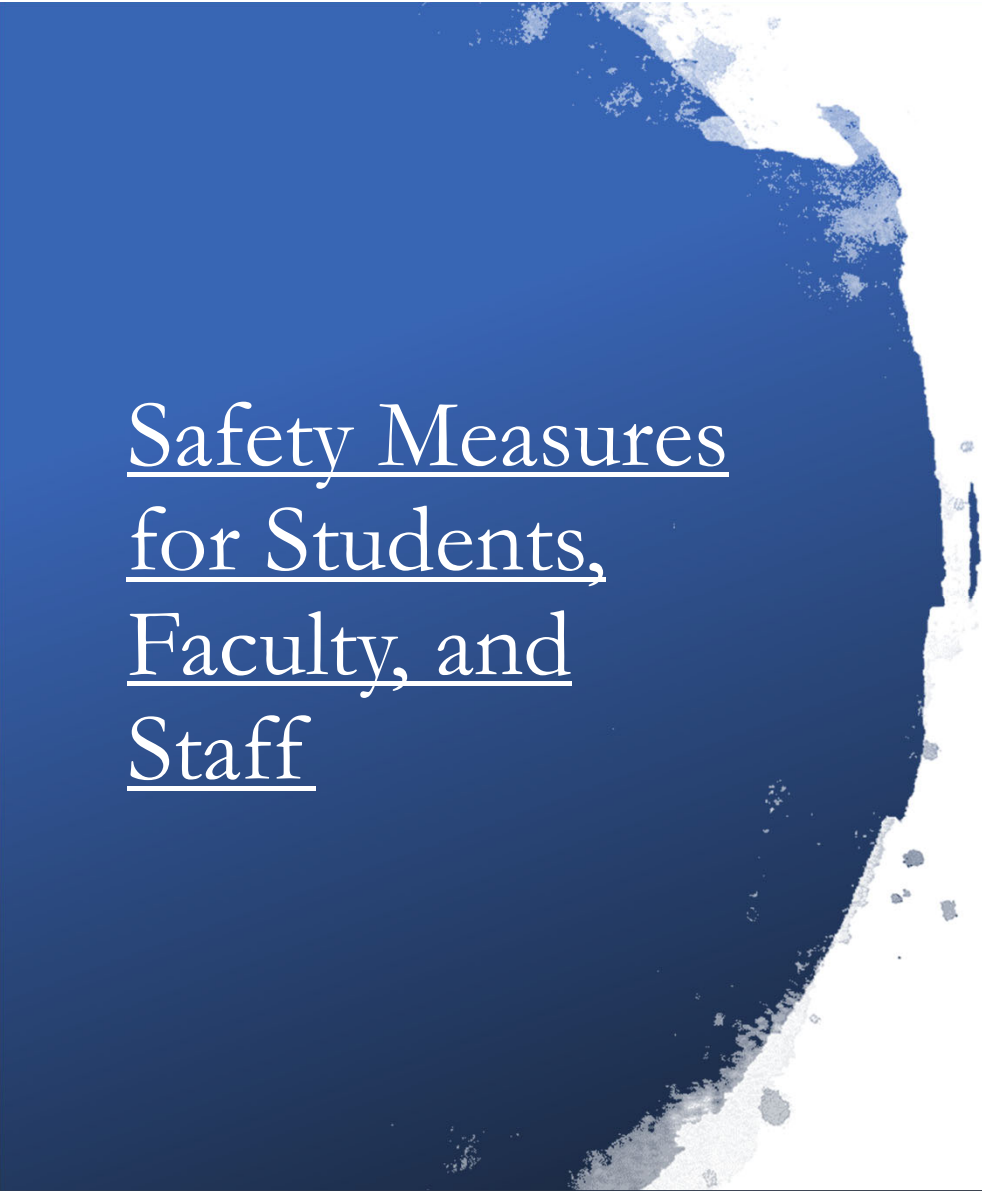

Safety Measures  
for Students,  
Faculty, and  
Staff

## **School Facility**

- Facial coverings are not required, but are allowed
  - Children who fall ill at school will be placed in a designated area of quarantine with a facial covering in place. Parent / caregiver will be called to pick child up from school.
- 

# Safety Measures for Students, Faculty, and Staff

## **School Facility**

- Hand sanitizing stations will be available throughout facilities
- Limit use of classroom materials to small groups and disinfect between uses or provide adequate supplies to assigned for individual student use

---

# Instructional Scenarios

**Leeds Schools students will be offered two instructional scenarios:**

- Traditional – students attend classes in a traditional, on-campus setting
- Virtual - students in grades 6-12 wishing to complete the school year remotely must **APPLY** to the Leeds City Schools Virtual Academy at [leedsk12.org](http://leedsk12.org). Space will be limited and enrollment is not guaranteed.
